VOTE SAFELY VOTE FROM HOME

At every election you can use your vote to comment on how the government or council is doing - but you can't do so if you're not on the voting list. You can register to vote in 5 mins (with your NI number) at www.gov.uk/register-to-vote.

❖ **Voting by post** is easy and may be a good idea for next May. Print a postal vote form from www.stroud.gov.uk or ring 01453 754886.

Cam Parish Council - business as usual

Cam parish council has kept as much as possible to business as usual through the pandemic: parishioners can always contact the clerk by phone or email, even when the office has to remain closed. The clerk has also been offering support to the GL11 Community Hub phone service. The council still submits comments on all planning applications in the parish and many councillors are out and about, talking to residents and working on plans for improving play areas and allotments. Contact the parish council on 548884 or clerk@camparishcouncil.gov.uk
